DEPARTMENT OF COMPUTER APPLICATIONS NEWSLETTER - 2016-17 **"Infostav"**

Editorial

It is our immense pleasure to bring out the newsletter **"Infostav"** for this academic year 2016-2017. In the age of knowledge explosion in Computer Application disciplines this publication will be a good platform for knowledge sharing among students community. This documentation of activities and achievements will be a real inspirations for the faculty and students.

Department Profile

The Department of Computer Applications has a well-equipped air conditional state of the art technology laboratory with 200 computers with LAN facility. Broadband internet facilities and updated computer books and journals are also available to equip the students. To cope up with computerized world, apart from the class room lectures, our students are provided with training in fields like Networking, Web Designing, Embedded System, Business process outsourcing etc. Placement support is provided to students to become Database Administrators, Programmers, software engineers, Customer Support Engineers and Tele service engineers. The Department was started in the year 2001 and so far has produced more than 500+ potential graduates.

Association Activities

The Association of Department of Computer Applications – "Daksha" conducts various activities such as seminars, workshops, conferences, guest lectures and technical sessions which enable the students to equip them with the latest trends in the IT industry. The Department catalyzed the organizing skills of the students through the inter-departmental events. Software development and paper presentation contests are quite frequently organized by the Computer Applications association. The Association consists of Student office bearers such as Chairman, Secretary, Joint Secretary and Student Executives. The office bearers are selected based on their academic excellence, Co-Curricular activities, attendance etc.
